On October 22, 2010, the court stayed this action until the determination of the ITC investigation becomes final. See Order Staying Case Pending Outcome of ITC Investigation at 2:14-16, Docket No. 29. On July 2, 2012, the parties submitted a case management conference statement indicating that they agree the stay should continue through appeal of the ITC determination to the Federal Circuit. See Case Management Statement at 8-10, Docket No. 111. Plaintiff, however, states that “for the stay to be extended beyond the Final Determination by the ITC to include exhaustion of all appeals, a modification of the October 22 Order is necessary and the Appearig Defendants should file a motion seeking such relief. Leviton would not oppose any motion by the Appearig Defendants that seeks such a modification of the October 22 Order.” Id. at 10:9-13. Because the parties agree the stay should continue and the court finds no reason to remove the stay at this time,

1 IT IS HEREBY ORDERED that the action is stayed until all appeals of the ITC
2 determination have been exhausted, and the Clerk shall ADMINISTRATIVELY CLOSE this
3 matter. This order does not preclude any party from moving to reopen this action.

4 IT IS FURTHER ORDERED that, every six months, the parties shall submit joint status
5 statements to inform the court of any developments that may warrant removing the stay. The first
6 status statement shall be filed no later than January 3, 2013. Additionally, upon completion of the
7 appeals, the parties shall file a notice requesting the matter be reopened and that a case
8 management conference be scheduled.

9 IT IS FURTHER ORDERED that the case management conference scheduled for July 6,
10 2012 is VACATED.

11 Dated: July 2, 2012
